### **By Underground**

Nearest tube Ravenscourt Park Station. Turn left out of the exit and follow street to what appears to be a dead end. There is a small path to the left by Hitchcok King Timbers. Walk down the path and you will arrive on Dalling Road.

Cross Dalling road, turn left and then right onto Glenthorne Road. Stay on the right handside, cross Studland street, keep going until you see an MOT Galena Garage sign, there is also a small sign saying Glenthorne mews.

Turn into the mews, we are Number 8 at the end.

There is no parking within the mews but there is pay and display on Glenthorne Road.

### **Driving**

Glenthorne Road is parallel to King Street and is one way.

Coming from Hammersmith drive along King Street, turn right at Studland Street and right again onto Glenthorne Road. Look out for the Galena Garage MOT sign. Glenthorne Mews shares its entrance with the garage.
