Glenthorne Road is parallel to King Street and is one way.

Coming from Hammersmith drive along King Street, turn right at Studland Street and right again onto Glenthorne Road.

Look out for the Galena Garage MOT sign on the right handside. Glenthorne Mews shares its entrance with the garage.

There is no parking within the Mews but there is pay and display on Glenthorne Road.

### *TRAVELLING BY TUBE*

Ravenscourt Park (District line) is the closest Tube station. Turn left out of the exit and you'll find a small path alongside Hitchcock King Timbers, which comes out onto Dalling Road.

Turn left and cross Dalling Road under the bridge, then turn right onto Glenthorne Road. Stay on the right handside, cross Studland Street and Galena Road.

Immediately after Galena Road you will see an MOT Galena Garage sign, there is also a small sign saying Glenthorne Mews.

Turn into the Mews, we are Number 8 at the end.
